Ben,

Here is a copy of the Temporary Closure Notice. I should be around today if you need to talk.

Hi Krystal,

I have a favor to ask you regarding WA10589, Flying B-29. Would it be possible to have someone send me any temporary closure paperwork in the file for that facility. I recall the site has been confirmed to be in compliance with TOS requirements, but it would help our enforcement officer who is working to resolve the longstanding case to see the TOS forms. I know you are out today so I can call next week and fill in a few more blanks.

Thanks,

Ben
